where students come first

welcome to our college

...inspiring, challenging and expert tuition, delivered by passionate and experienced tutors in small, collaborative and engaging classes...

Our mission at Lansdowne is to realise each student's true ability in an environment which is intensive yet informal, motivating yet relaxed, academic yet enjoyable. At Lansdowne we pride ourselves on, and are renowned for, the warm, supportive and structured atmosphere provided by our staff for our students. We believe that they relish and respond to being treated as young adults, thriving on the mixture of expert tuition, hard work and pastoral care they experience and enjoy. They benefit from an environment that, whilst maintaining academic rigour and discipline, provides a relaxed and friendly atmosphere. As a result, students not only rise to their academic challenges but also enjoy them.

A young man with short brown hair, wearing a black button-down shirt over a white t-shirt, is smiling and looking towards a young woman. The young woman has blonde hair and is wearing a black top with a white lace pattern and a headband with pink flowers. She is also smiling and looking towards a young man with dark hair, who is wearing a light blue polo shirt. They are standing outdoors on a street with buildings and trees in the background.

“It was the best decision I
ever made to choose to study
my A Levels at Lansdowne”

Amir Ravan

“You have a remarkable college that cares not only for the academic, but also the pastoral care and overall development of young people”

Andrea Robertson, mother of Shani

our approach

Small class sizes allow constant attention to individual students' needs

It is a central tenet of our educational ethos that our students are afforded more freedom in and responsibility for their learning. Whilst we do dispense with many of the rules and regulations of traditional education, we demand high standards of personal performance and academic achievement. Students' progress is guided and monitored at every step, through one-to-one sessions with their Personal Tutor, weekly examination practice and the monthly reporting system, which together ensure that students' time with us is productive and closely tracked. Our College provides an energetic and challenging environment where students are expected to fulfil and usually exceed their own expectations of themselves.

learning at lansdowne

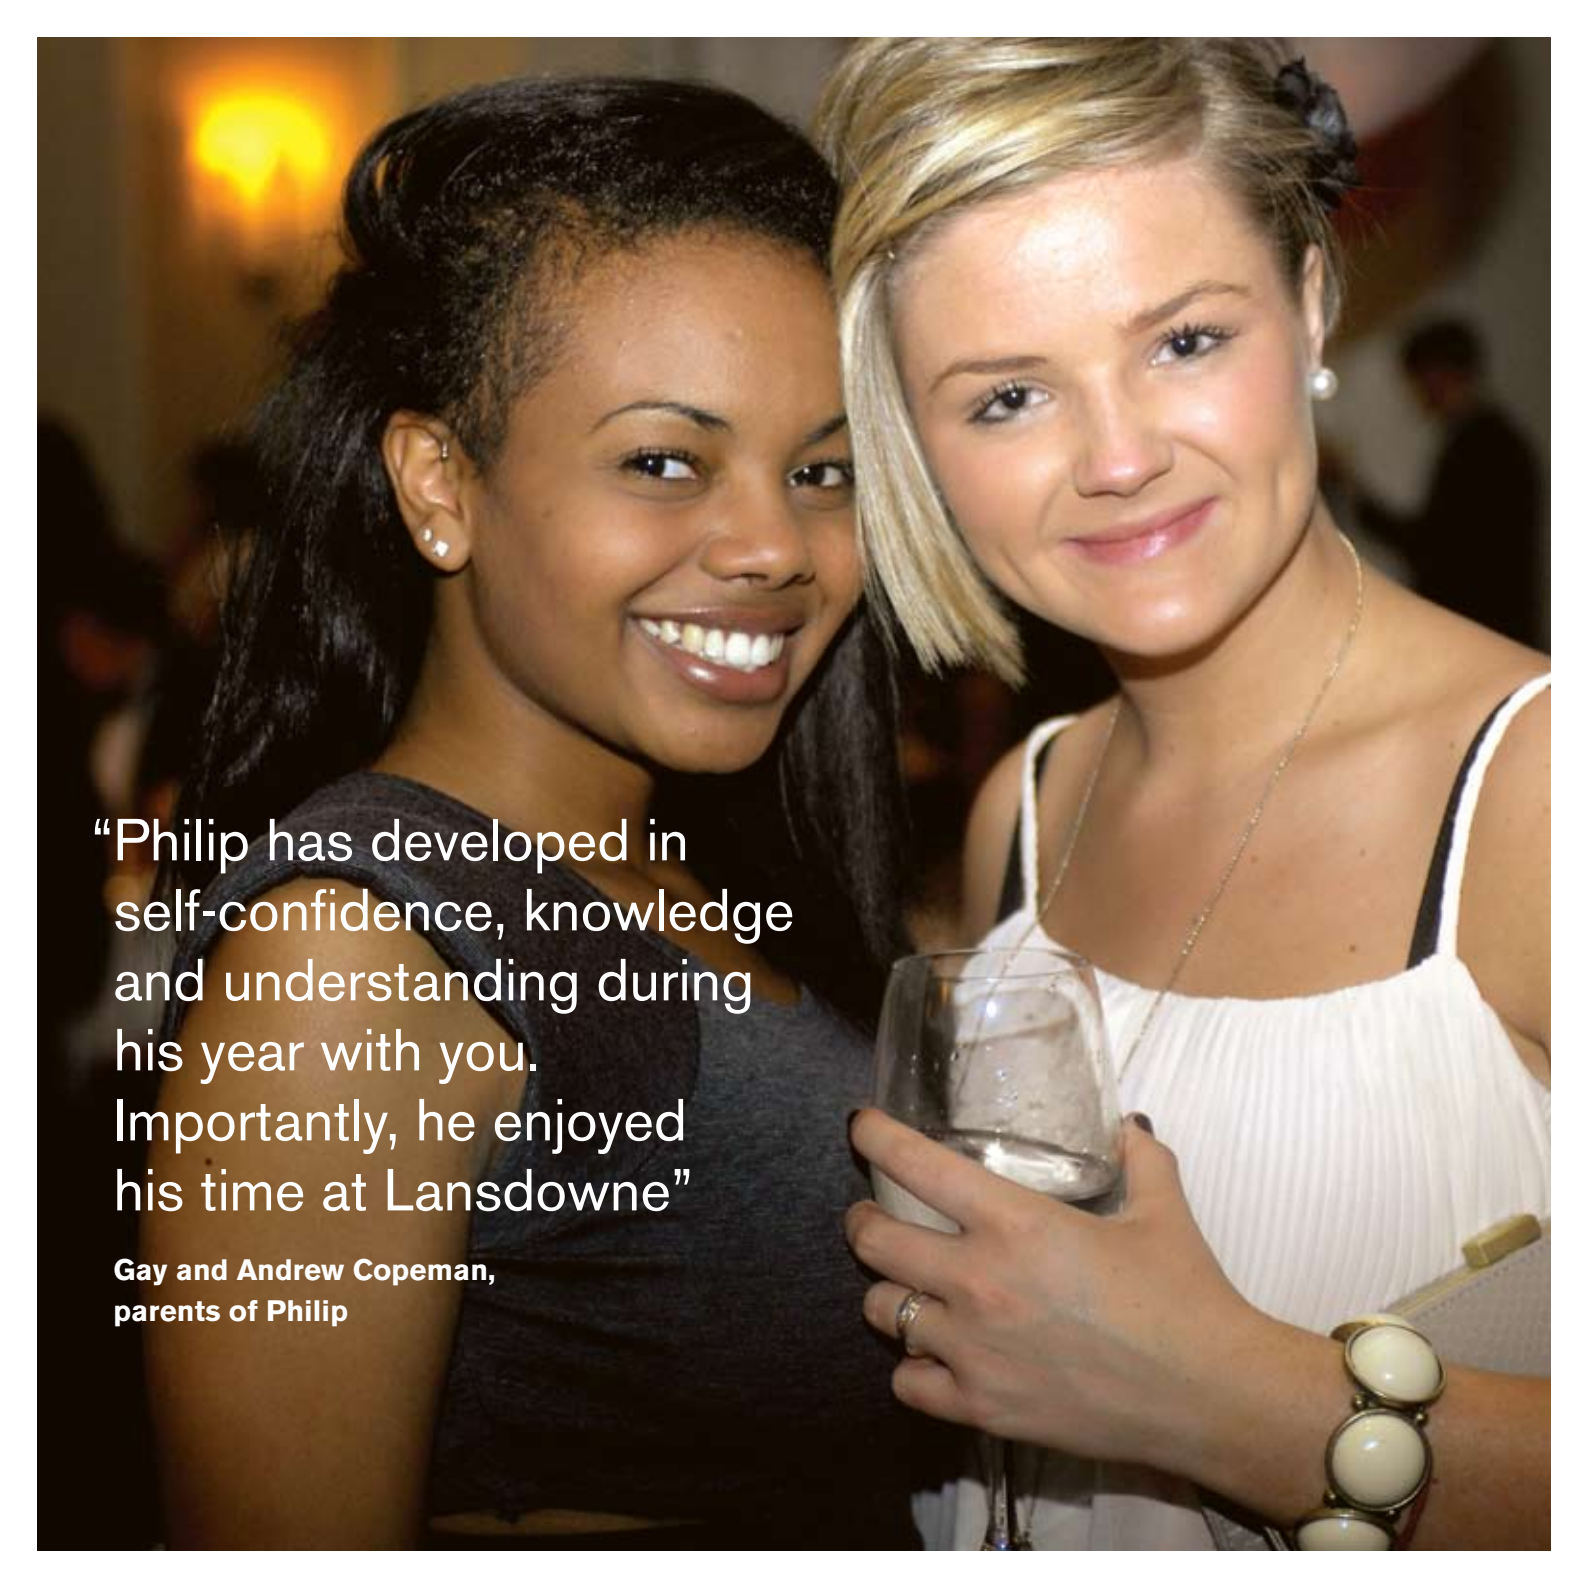

A Levels, GCSEs, Retakes, Easter Revision, Medic Programme

Learning at Lansdowne takes many different forms. One great advantage of studying with us is not only the number of different subjects that are offered at both A Level and GCSE, but also the differing length of courses and how they can be studied. Each student is treated as an individual and can have a tailor-made course of study devised for them. At Lansdowne, we pride ourselves on having an extremely flexible timetable which can accommodate the learning journeys of all our students and this timetabling system allows any combination of subjects to be studied.

A woman with brown hair tied back, wearing a dark blue top and hoop earrings, is smiling and looking towards a group of people in the background. The background is blurred, showing what appears to be a classroom or school setting with a red and yellow flag on the wall.

“I... write to express our thanks for the excellent guidance and tuition given at Lansdowne which enabled her to attain the place she wanted... we were thrilled that Kelly achieved straight As”

Molly Johnston, mother of Kelly

The woman on the right has blonde hair and is wearing a white top with thin black straps. She is holding a glass of water and has a watch on her left wrist. The background is blurred, showing other people and warm lighting.

“Philip has developed in self-confidence, knowledge and understanding during his year with you. Importantly, he enjoyed his time at Lansdowne”

**Gay and Andrew Copeman,
parents of Philip**

life at lansdowne

Life at Lansdowne is not all about learning

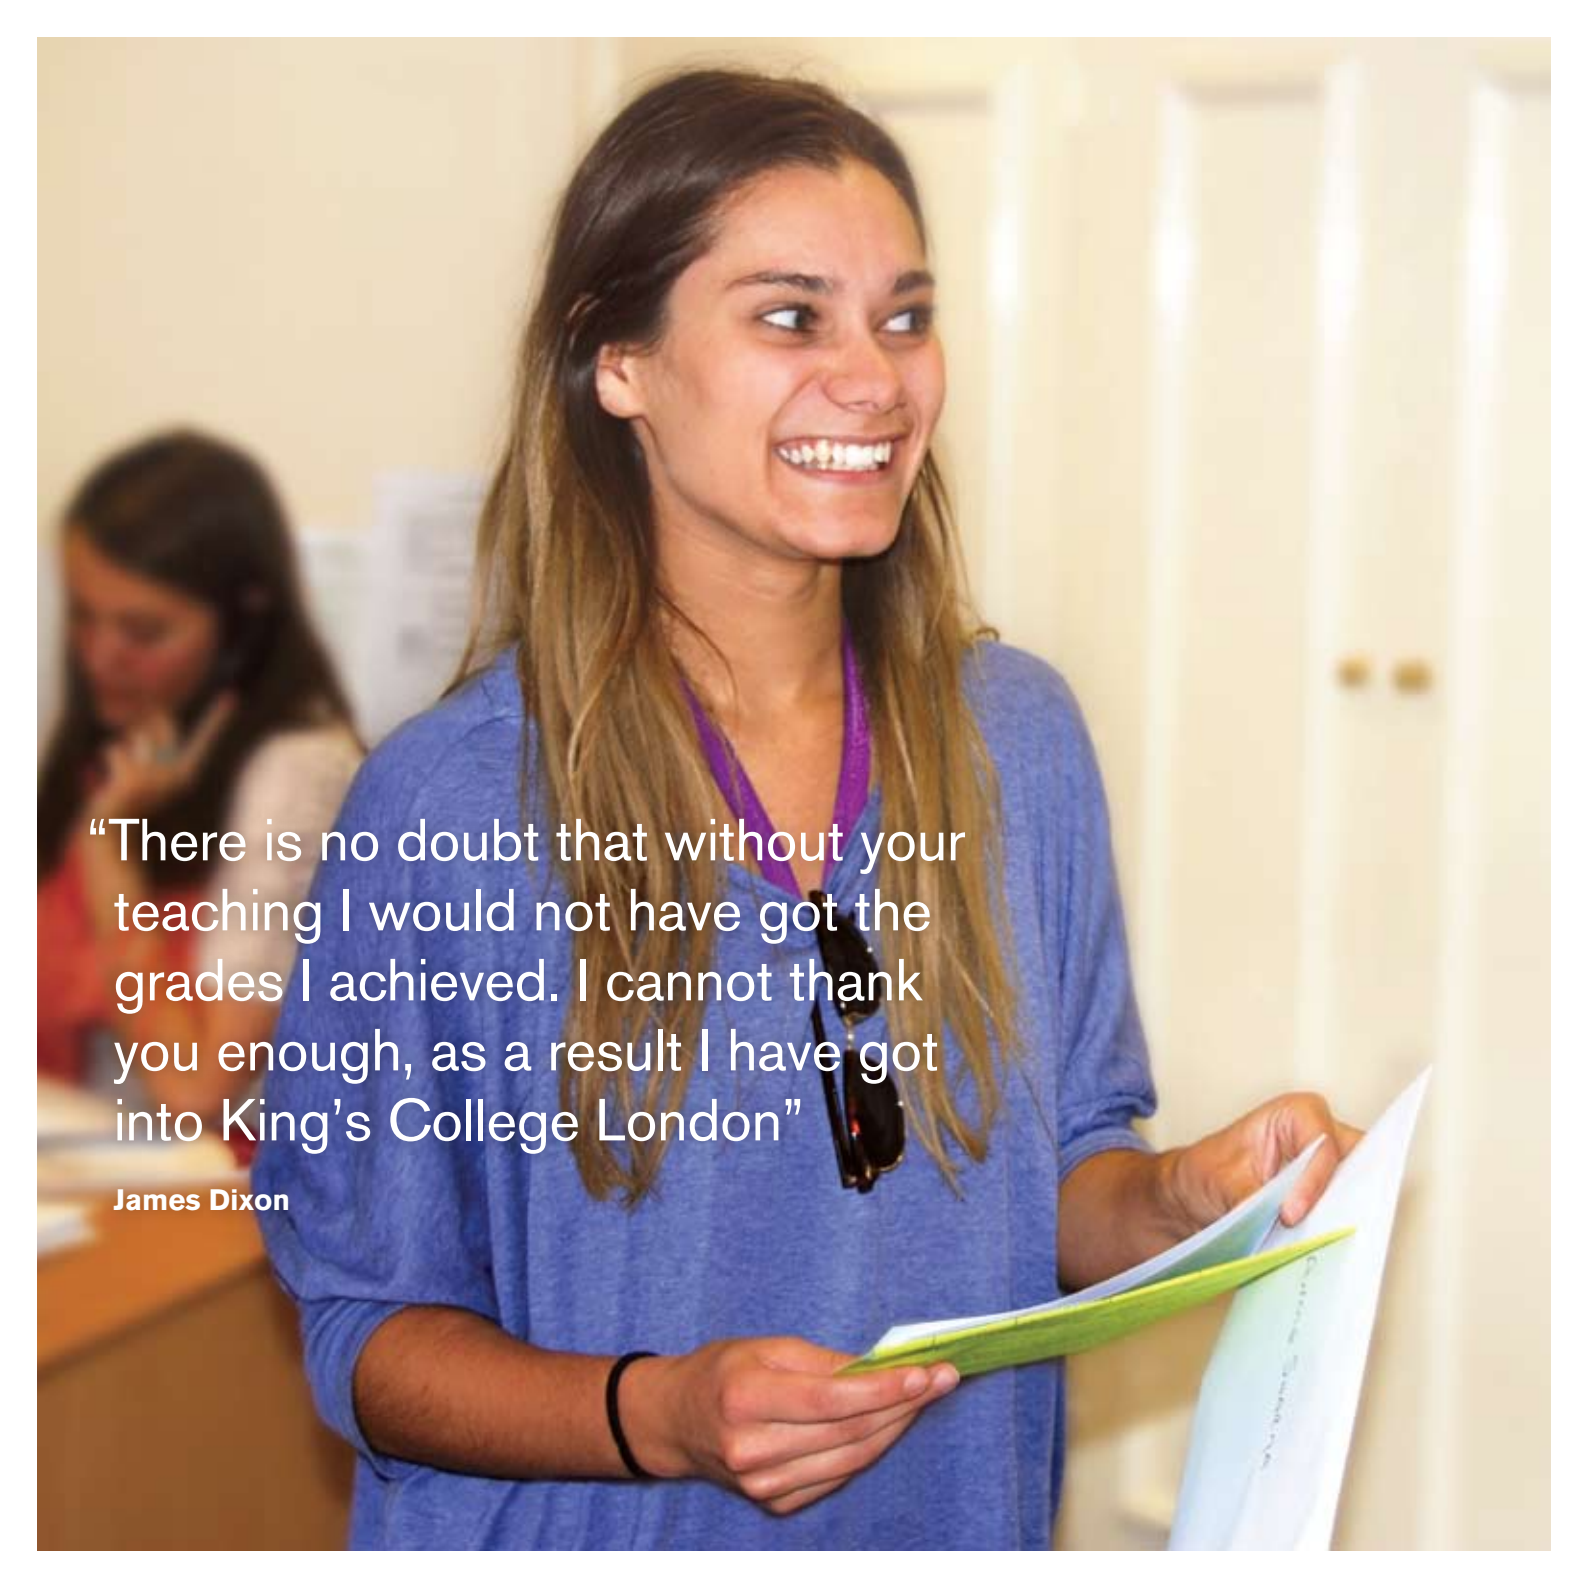

At Lansdowne, as in life, it is important to achieve a balance between work and play. So alongside academic studies, we ensure that there are lots of extra-curricular activities available for all our students. There are much-anticipated social events, such as the Summer Ball, Student Council, societies, clubs, activity programmes, ski trips, Duke of Edinburgh schemes and a wide range of sports available. It is this breadth of the education we offer at Lansdowne that produces the rounded, confident individuals that our students are renowned for being.

life after lansdowne

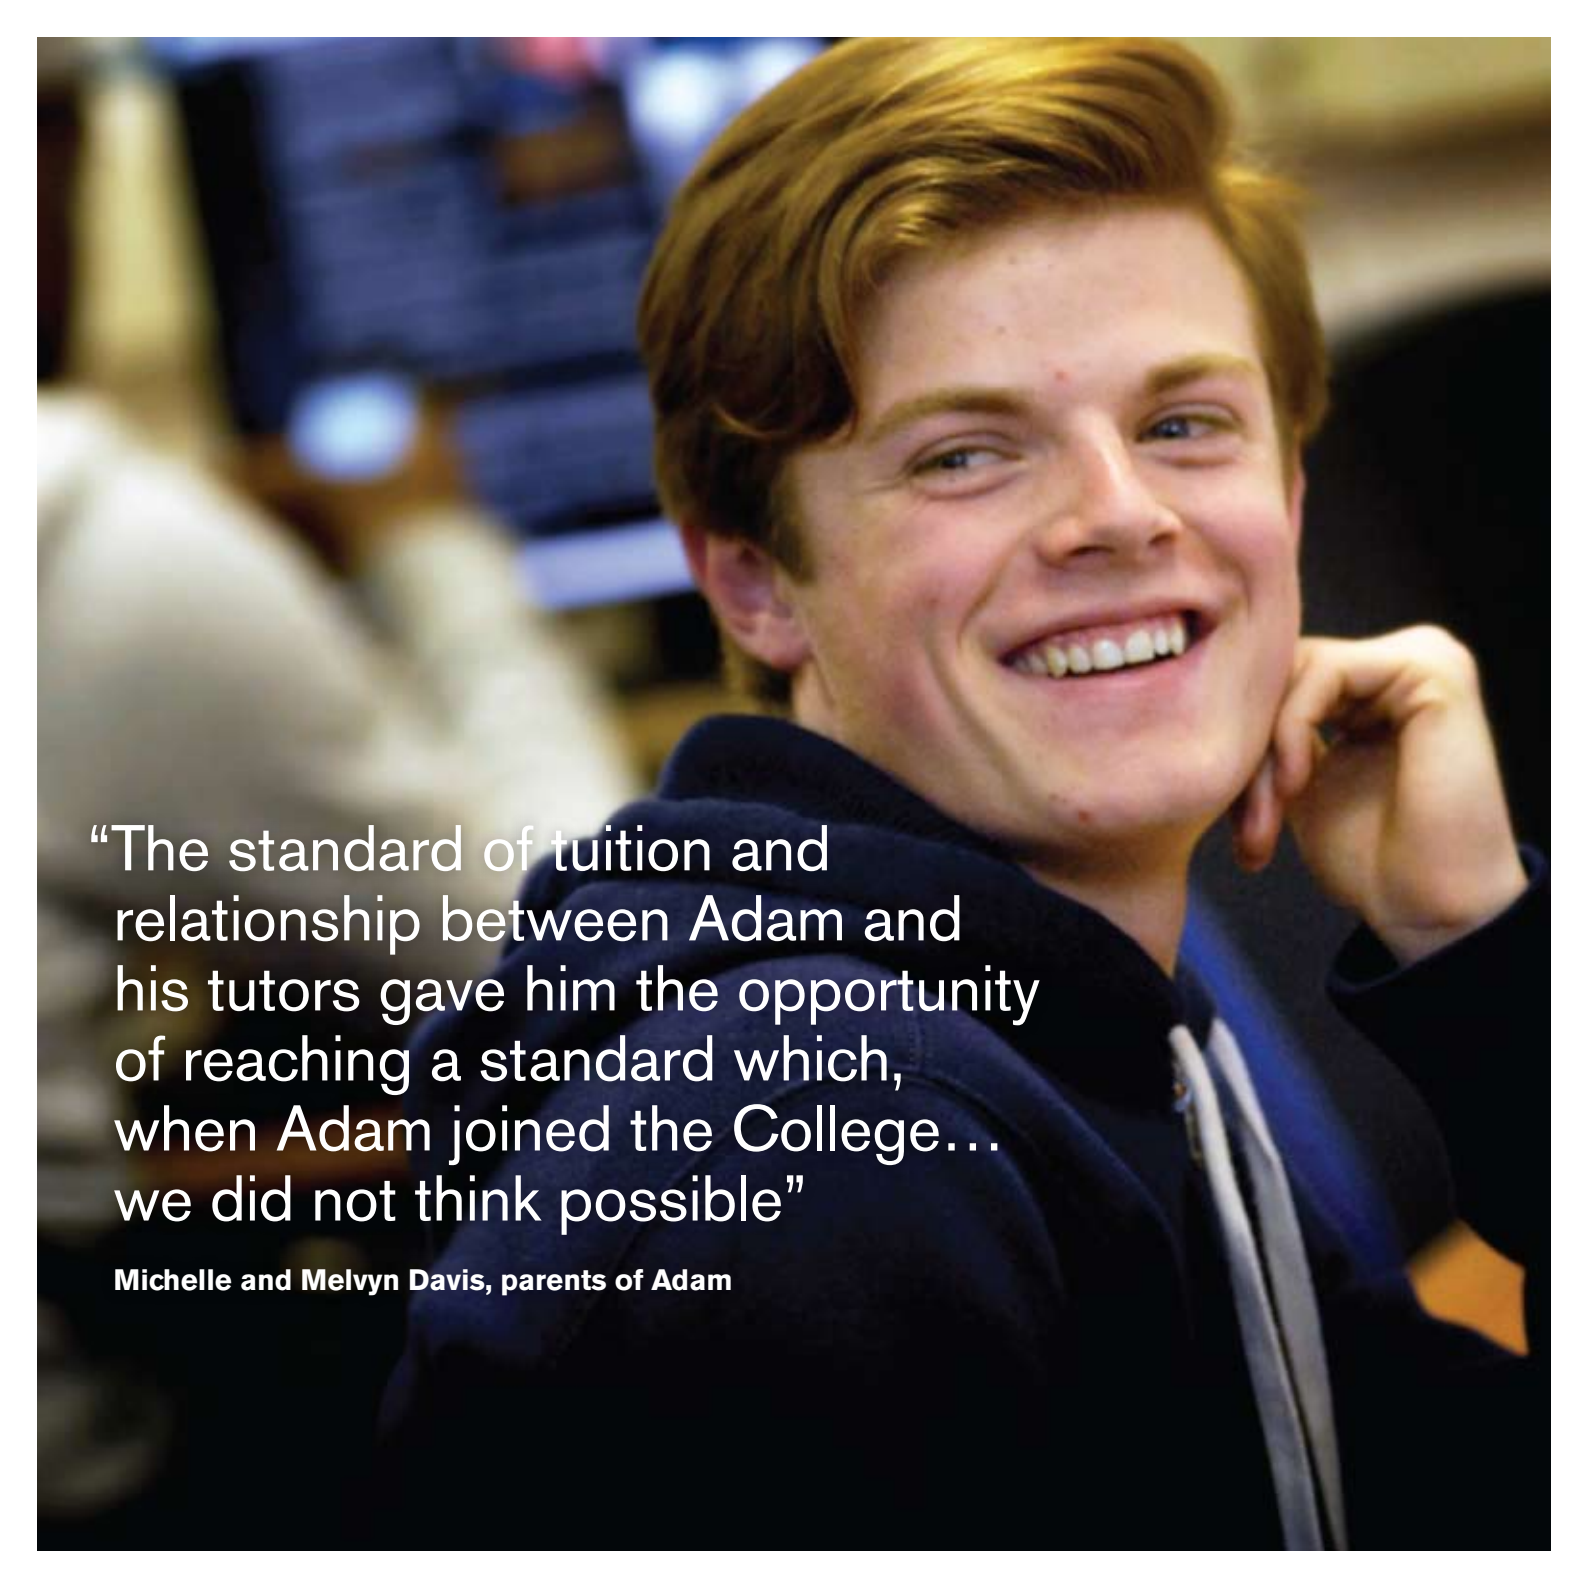

Lansdowne are consistently at the top of the results league tables

We recognise that at Lansdowne we are an important stepping stone in our students' lifelong learning and successfully getting them to the next stage is therefore a central purpose of ours. When students leave us, the tangible evidence of their success is excellent examination results and a place at their chosen university. But we are equally proud of the intangibles: being self-confident, self-reliant and prepared for the challenges of life.

“There is no doubt that without your teaching I would not have got the grades I achieved. I cannot thank you enough, as a result I have got into King’s College London”

James Dixon

“The standard of tuition and relationship between Adam and his tutors gave him the opportunity of reaching a standard which, when Adam joined the College... we did not think possible”

Michelle and Melvyn Davis, parents of Adam

admissions
